3. The DD/P is prepared to concur with this recommendation if it is acceptable to the DD/S. In addition, we would suggest that a member of TSD's staff of psychologists work closely with the members of the Medical Staff who undertake the program.

4. It would be appreciated if you would obtain the concurrence or comments of the DD/S on recommendation No. 1. Inasmuch as we are endeavoring to get our responses to the DDCI by 1 June 1964, we hope you will be able to accomplish this at a relatively early date.
